

Barnum Friday

Dear friend

Too hot for ink.

I got a letter from Mrs. C. yesterday she incloses the letters of Arago, Leflo - Charras. her letter contains some remarks on them as related to our refusal of oaths - Now I want to translate those for the Liberator - of course there can be no objection to that - I want also to preface them with Mrs. C's remarks would it do to let them appear as hers or shall they seem ~~as~~ home spun -

Yours truly
W Phillips
